## Posters

The posters are colourful and informative. Using the posters in the music room, bandrooms, homerooms, classrooms and corridors makes learning fun and interesting and teaching becomes easy and effective too. They are excellent resources for the Music Department, school band, choir, etc.

### Reasons for using posters

1. About one third of students in an average classroom are visual learners.
2. Visual learners respond well to **colour**.
3. Images, photographs and diagrams are helpful learning aids for visual learners.
4. Words linked to pictures help visual learners grasp and remember new concepts.
5. Posters help reinforce important concepts and can be referred to regularly.
6. Posters can act as reference for students instead of asking the teachers.
7. Posters can keep your classroom/school fresh and **stimulating**.
